What do you suppose is the plumpest thing in the world? You know how sometimes you can't help but think about this topic...for three hours? Maybe it's the cheeks of an indignant child. Or is it a butt? But I think in the end...it's got to be shrimp. Can we agree that it's shrimp? Let volume 90 begin!!!

-Eiichiro Oda, 2018

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story あらすじ

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaoody Archipelago and then through Fish-Man Island to their next stage: The New World!!

Luffy and crew head into Big Mom's stronghold and successfully take back Sanji, who was stuck in a political marriage with Big Mom's daughter. They then join forces with Bege in a plot to assassinate Big Mom that ultimately fails. Big Mom then chases after the fleeing crew. Sanji decides to bake a new cake to placate Mama's rampage, and Luffy

enters a one-on-one battle with Katakuri to help the rest of the crew escape. Big Mom reaches the ship just as Sanji finishes the cake, luring her away... Meanwhile, Luffy triumphs in an extreme battle against Katakuri, and then throws off his pursuers to reach the crew. But the Big Mom Pirates' siege is fierce, and the ship sinks under a hail of cannon fire!

(Gamio, Osaka)

Q: Hello, Odacchi!! What's up with the crackling stuff at the end of General Cracker's hair? And how does he keep his cape on?

--MocchiMochi Donuts

A: Well, his cape is simply attached by the spirit of his heart. The real issue is the crackling, right? As a matter of fact, even I was wondering what those things were as I drew them. Ha ha ha ha! When I was coming up with his design, I just kind of stumbled across that, and thought it was cool. My thought process was no deeper than, "That looks fine to me." If you wanted to make up a more rational reason after the fact, you could claim that the name Cracker gave me the idea of firecrackers. Do you suppose he'll explode eventually?

Q: Huh? What the...? *Baratie* looks bigger in chapter 902!!! I guess business is booming, huh?♥ Yesss!! I can't wait to tell Sanji!

SBS Question Corner

Q: Hello, Oda Sensei!! Big Mom sure has a bunch of ex-husbands. How does she handle that sort of thing? Do they have betrothal interviews?

--Big Mana

A: She's a pirate. She takes by force. And when she has her kid, she dumps them!! Her intent is to have children of a variety of races. She's a scary lady.

Q: If Big Mom has her hunger pangs and wants wedding cake again, what will happen to Totto Land? I can't imagine that anyone will be able to bake such a wedding cake again...

--Akibe

A: Good point! That's very kind of you to be concerned for Totto Land's well-being. Do you suppose they'll flee the country if disaster strikes? But the New World is a very treacherous sea. The family and citizens are largely protected by the menacing name of Big Mom. So even though danger might eventually strike, they can't help but stick close to her. This is a major concern for Totto Land, and part of what it means to live under a major power, perhaps! (Wow, what a serious answer.)

Q: Is the Gerd whom Big Mom lived with in her childhood the same person as the beautiful ship doctor Gerd from the New Giant Pirates on the cover of chapter 901?

--Assistant

A: That's right. 63 years ago, Big Mom was five years old, and Gerd was 12. So now Big Mom is 68, and Gerd is 75. Since giants live to be 300 years old, she's still in the prime of her life.

Q: So, that's Fire Atacchan in chapter 905, right? He's calling Morgans "Boss," so does that mean he's working as a photographer for the *World Economic Journal* now? Fire!!

--Match and Takeshi

A: Yes, that's correct. He is the famous cameraman, Fire Atacchan. Long ago he was the head of the Navy's Photography Office, but after the 57th instance of him forgetting to remove the cap from his lens, he finally got fired. Morgans hired him after that. Now he takes aim with his cap-less camera for the WEJ and shouts his catchphrase, "Fire!"

Q: Hello, Mr. Oda! So, Luffy uses his hat to cover Katakuri's mouth after he beat him in their fight! Both of them were so cool!! I think that if I ever happen across a naked sleeping Oda on the side of the road, I would use my hat to cover his "symbol of manhood"!!

--Neon

A: I understand how that goes. Every now and then, you spot a naked sleeping Oda on the side of the road. Thank you. But I have to ask, will that be enough? Can you cover my symbol of manhood with a mere hat?! (Yes, you can. I'll shut up now.)

Q: You always answer these dirty questions. Doesn't your wife get angry at you?

--Pigya

A: My wife will laugh at anything I do, so we're fine! Thank you for your concern about my family life!! Also, it's not my fault that the SBS is like this!!

--Woman Who Wants to Be an Author

A: Okay. **NO!!** I was like, what perverted old man sent this request...and it's a girl!! Why are the dirty jokes so dirty this time?! The SBS is meant to be a place for a wholesome author and wholesome boys and girls to interact. Would you mind not tarnishing its good name?!

A: Ah, I see! Well, I hope you eat that *fugu*, get poisoned, and then find out that Reiju is busy and she can't show up to help you!!! **You freak!!** (*Don't worry, *fugu* prepared at a restaurant is safe.)

Q: When I hear the words "pirate," "40 years ago," and "Garp," I can't help but be put in mind of Shakky. Is there any connection between Shakky and this mysterious "Rox"?

--World Economic Journal Intern

A: Oof...! Why would you remember something that happened 40 volumes ago? I...I have no idea what you mean! D...doo-de-doo-de-doo...♪

Q: Hello, Mr. Oda! I have a question. Charlotte Montd'or and Charlotte Opera's Devil Fruit titles were never actually unveiled in the story, were they? Can you tell us what they are?

--Boil

A: Okay. Montd'or is the bookkeeper because he has the Book-Book Fruit. He can turn living things into living samples, use books to fly in the air, and pull people into the stories within books. It's a rich enough variety of powers that he could be the villain of his own story arc. Opera has the Cream-Cream Fruit. He's a very tricky enemy who controls the cream his body creates, and utilizes "sweetness" as a novel attack concept.

Q: Question for the SBS! What are the hobbies of Smoker, Tashigi, and Lady Hina?

--Itsuma

A: Interesting question.

Pottery
Casinos

Reading
books about
swords
Paper-
cutting art

Horseback
riding
Clubbing

Q: I love Crocodile, Mihawk and Doflamingo. Are they going to be bachelors forever, without having descendants? What would their children look like?

--Purple Panda

A: I wonder if any of them have been married. I don't know if they have kids or not, but here's how I imagine that going, for your entertainment. See you in next volume's SBS!

I have carried

YOU'VE MADE A WISE PURCHASE, MY FRIENDS!! GATHER 'ROUND!!

SAY, I'LL BUY SOME OF YOUR TOAD OIL!!

I'LL TAKE TWO!!

VERY GOOD!!

THAT'S IT!!

...THERE'S NO WAY YOU'LL RECEIVE A SUMMONS FROM THE SHO-GUN'S CHAMBER...

...IN THE SHORT AMOUNT OF TIME YOU WANT!! WOO!!

HUFF, HUFF...

AT THE RATE YOU'RE GOING...

LOWER YOUR HIPS MORE!! YOUR ARM IS TOO LOW!!

ARE YOU DREAMING, GIRL?! I WANT TO SEE MORE EFFORT!!

GEISHA OROBI

WOO!!

YES, MA'AM.

THE SHOGUN
OF WANO IS
NAMED KUROZUMI
OROCHI!!

AND THE
OFFICIALS WHO
DO HIS BUSINESS
ALL HAVE TIES
TO KAIDO!!

LISTEN
CLOSELY
!!

FIRST, YOU
MUST PASS
YOURSELVES
OFF AS LOCALS,
AND QUIETLY,
QUIETLY...

WE MUST NOT ALLOW
OUR EXISTENCE TO BE
KNOWN UNTIL OUR ALLIES
CAN ASSEMBLE, AND THE
PREPARATIONS FOR
BATTLE CAN BEGIN!!

...THE NEWS
WILL MAKE IT
TO KAIDO'S
EARS!!

THUS, THEY ARE
ARROGANT AND
CORRUPT... BUT
IF YOU SHOULD
HARM THEM...

THANK GOODNESS...
HIS REIGN OF TERROR
CLAIMED THREE
NIGHTTIME VICTIMS
JUST THIS MONTH!

THE ROGUE
SAMURAI WILL
NOW BE FORCED
TO COMMIT
SEPPUKU!!

HIS LORDSHIP
THE MAG STRATE
HAS CAUGHT THE
CROSSROADS
KILLER!

...GO
ABOUT YOUR
DUTIES!!!

WAA—AH!!

OH, HOW I HATE
HIM! THAT TERRIBLE
CROSSROADS
KILLER CUT DOWN
MY HUSBAND IN
HIS PRIME!

...BUT IT SEEMS WE'VE CAUGHT A GRAVE ROBBER AS WELL!!

NOT ONLY WILL THIS RESTORE PEACE...

THE POPULACE HAS BEEN TERRIFIED OF YOUR CARNAGE, CROSSROADS KILLER.

はっ

んっ

TWENTY-THREE YEARS AGO...

...

...WE LOST THE REMAINS OF THE LEGENDARY SWORDSMAN RYLMA...

...IN THE MIST OF A PIRATE UPHEAVAL...

RONIN ZORO-JURO

...AND HIS BLADE, SHUSUI!!!

IN MY HANDS I HOLD THE GREAT SHUSUI!!

GLINT...

HA HA...

ONE WONDERS HOW PRISTINE ITS BITE IS.

...YOU DO NOT LOOK SO OLD.

BUT, CROSSROADS KILLER...

DID YOU EXTRACT THIS FROM THE THEF?

...AND MAKE AMENDS WITH YOUR DEATH!!

IF YOU HAVE ANY SAMURAI PRIDE AT ALL, ADMIT YOUR CRIME...

SWISH

MY ROLE IS TO LOP OFF YOUR HEAD WHEN YOU'RE DONE, SO YOU DON'T SUFFER!!

IT'S NOT FOR FIGHTING. YOU DON'T NEED ONE.

THIS KNIFE'S GOT NO HILT... UH, VERILY.

YOU DO KNOW HOW SEPPUKU WORKS, DON'T YOU?!

A SEPPUKU BLADE IS SHORT AND HAS NO HILT ON PURPOSE.

THIS DEATH GIVES YOU FAR MORE DIGNITY THAN YOU DESERVE!! REJOICE IN YOUR SEPPUKU!!

WE HAVE WITNESSES!! WE HAVE EVIDENCE!!

ooo

HMPH! JUST DON'T WAIL AND BLUBBER...

TING...

THE SAMURAI'S TRUE WORTH IS IN HIS END!!

...SO LONG!!

WELL... IN THAT CASE...

Q: Hello, Mr. Oda! I have a question. Charlotte Montd'or and Charlotte Opera's Devil Fruit titles were never actually unveiled in the story, were they? Can you tell us what they are?

--Boil

A: Okay. Montd'or is the bookkeeper because he has the Book-Book Fruit. He can turn living things into living samples, use books to fly in the air, and pull people into the stories within books. It's a rich enough variety of powers that he could be the villain of his own story arc. Opera has the Cream-Cream Fruit. He's a very tricky enemy who controls the cream his body creates, and utilizes "sweetness" as a novel attack concept.

Q: Question for the SBS! What are the hobbies of Smoker, Tashigi, and Lady Hina?

--Itsuma

A: Interesting question.

Pottery
Casinos

Reading
books about
swords
Paper-
cutting art

Horseback
riding
Clubbing

Q: I love Crocodile, Mihawk and Doflamingo. Are they going to be bachelors forever, without having descendants? What would their children look like?

--Purple Panda

A: I wonder if any of them have been married. I don't know if they have kids or not, but here's how I imagine that going, for your entertainment. See you in next volume's SBS!
